

The worksheet contains five rows of orange cloud-like shapes. Each row has a horizontal bar with a rounded right end. The first, third, and fifth rows have a small circle on the right side of the bar, with arrows pointing to the right. The second and fourth rows have a small circle on the right side of the cloud shape.

The worksheet contains five rows of tracing practice. Each row consists of a red cloud-like shape with a horizontal bar inside. The bar has a rounded right end. In the first, third, and fifth rows, there is a small circle on the right side of the bar, with a black arrow pointing downwards and to the right. In the second and fourth rows, there is a small circle on the right side of the bar without an arrow.
