

A vertical sequence of four cloud-like shapes with a green outline. Each shape has a white rectangular box on its left side and a small white oval on its right side. Black arrows point from the oval of one shape to the oval of the next shape below it, indicating a downward path. The bottom-most shape has a larger black arrow pointing to the right from its right side.

The worksheet contains four rows of tracing practice. Each row consists of a large orange cloud-like shape. To the left of each cloud is a white rectangular box with rounded corners, intended for writing. To the right of each cloud is a small white circle. Arrows indicate the direction of tracing: a downward arrow for the first row, a rightward arrow for the second row, a downward arrow for the third row, and a rightward arrow for the fourth row.
